### ROYAL BAKING POWDER

John Chinn died recently near Germantown, aged 58. He is survived by his wife and three children.

"The Dagger Scene from Macbeth" will be given by Mr. James S. Wood at the recital tomorrow evening.

Frank Rockwell of Ripley secured a marriage license at Newport Wednesday to wed Miss Lulu Bercaw of Cincinnati.

The Volunteers and a club from Washington will play a game of baseball at East End Park at 2:30 this afternoon.

The Kentucky State Bar Association will hold its annual meeting at Covington Thursday and Friday, June 23d and 24th.

Mr. James Downey has taken up his residence in the property purchased by him some time ago at the corner of Second and Commerce streets.

Ex-Governor Richard Yates of Illinois, who voluntarily left his home at Springfield to appear in behalf of Caleb Powers in the Federal Court in this city, has made a lasting impression on our people. His grace of manner, his earnestness of speech, his affection for the Old Commonwealth, the birthplace of his father and his mother, have won for him the regard of all who have seen and heard him. May he carry with him to his Illinois home none but pleasant memories of his all too brief visit to Maysville.

## FINE ADDRESS

### High School Commencement an Evening of Pleasure

Those who missed the annual Commencement of the Maysville High School at Washington Opera-house last evening missed a rare treat. Class exercises were dispensed with, and in their stead was substituted a lecture by the Hon. Lou J. Beauchamp.

Mr. Beauchamp had been heralded as one of the finest orators on the American platform, and well did he sustain his reputation before his appreciative Maysville audience. A natural wit, he catches the attention of his hearers from the start by his happy and characteristic style, and luckily knows how, when and where to bring in his well chosen anecdotes. But beneath the light vein of humor Mr. Beauchamp had much sound, practical advice in his address. His subject was "The Age of the Young Man," and he shows that the possibilities of the average American of today, in comparison with the citizen of a foreign country, were as wide as the world itself. Finding out for himself what branch of work one is fitted for, and then doing it with a will, is the foundation of success, many of the most prominent men in the country today having risen to their high places from the humblest of unskilled labor.

The program for the evening was—  
Music.....Maysville Orchestra  
Invocation.....Dr. John Barbour  
Music.....Maysville Orchestra  
Introduction Class '05.....Supt. D. S. Clinger  
Song—"Oh, If I Were a Mighty King"  
.....Maysville Male Quartette  
Address—"The Age of the Young Man"  
.....Hon. Lou J. Beauchamp  
Song—"Which Do I Love the Best"  
.....Maysville Male Quartette  
Presentation of Diplomas.....  
.....C. L. Sallee, President Board of Education  
Music.....Maysville Orchestra  
Benediction.....Rev. M. A. Banker  
The selections of the Male Quartette were greatly enjoyed.  
Mr. Sallee gave a very interesting talk in

presenting the diplomas to the class of graduates, composed of Messrs. Ralph McElroy Clark, Humphreys Taylor, Preston Piper Parker, John Andrew Breslin, Wilson Russell Warder, Benjamin Harrison Greenlee, James Edward Hutchison, James Anthony Ryan; Misses Carrie Belle Dryden, Kathryn Carlin Potb, Bessie Martin Clark, Edith Mae Stephens, Bessie Frances Osborne, Kathryn Desmond.

During the school year one member of the class passed to the Great Beyond, Miss Gertrude Muse, and President Sallee paid her tribute during his address.

Miss Bessie Clark and Mr. Ryan won the State College scholarships, Miss Osborne, Kentucky University, and Mr. Parker, Washington and Lee University, Lexington, Va. A coincidence in this is the fact that in the final examinations the above four made exactly the same average to the fraction—97.5-6. Mr. Ralph Clark was also mentioned for his general excellence.

Miss Clark, Messrs. Parker and Clark have another record, neither of them having missed a recitation during their three years course in the High School.

Prof. D. S. Clinger is most enthusiastic in his school work and was seemingly very proud of his 1905 class of graduates when introducing them last evening.

## WONDERFUL CURE OF SORE HANDS

By Cuticura After the Most Awful Suffering Ever Experienced

## EIGHT DOCTORS

And Many Remedies Failed to do a Cent's Worth of Good

"I was troubled with sore hands, so sore that when I would put them in water the pain would nearly set me crazy, the skin would peel off and the flesh would get hard and break. There would be blood flowing from at least fifty places on each hand. Words could never tell the suffering I endured for three years. I tried everything, but could get no relief. I tried at least eight different doctors, but none did me any good, as my hands were as bad when I got through doctoring as when I began. I also tried many remedies, but none of them ever did me one cent's worth of good. I was discouraged and heart-sore. I would feel so bad mornings, to think I had to go to work and stand the pain for ten hours, I often felt like giving up my position. Before I started to work I would have to wrap every finger up separately, so as to try and keep them soft, and then wear gloves over the rags to keep the grease from getting on my work. At night I would have to wear gloves; in fact, I had to wear gloves all the time. But thanks to Cuticura, that is all over now.

## CURED FOR 50c.

"After doctoring for three years, and spending much money, a 50c. box of Cuticura Ointment ended all my sufferings. It's been two years since I used any, and I don't know what sore hands are now, and never lost a day's work while using Cuticura Ointment."
